Description

With first chapter by Anne MERCEDES. Textbook aimed at the student or practised ceramicist. Moore content within first chapter, under the sub-heading of *The wall as work of art*. Discusses Moore's *Bouwcentrum Wall* in Rotterdam; Mercedes writes *by suggesting there is something beyond the facade, this piece highlights the ambiguity which is inherent in any wall: it creates a limit but entices beyond it*. Mention of bas-relief and J.W.C. Boks the commissioning architect for the project. One Moore illus, page 13. Also reference to book by Gwen HEENEY, *Brickworks*, A & C Black, London, 2003, p.174.
