Description

Article discussing the Exhibition "O'Keeffe and Moore" at the Albuquerque Museum, 30 September - 31 December 2023.
Part of the larger touring exhibition organised by the San Diego Museum of Art.
Focus is on the similarities of the two artists, their love of nature and natural forms and the collections of bones, shells and stones that they both amassed over the course of their careers.
Includes quotes from both artists and an interview with Anita Feldman, Curator, San Diego Museum of Art.
