**Exhibition Title**

2017 Kunstmuseet i Tønder, Henry Moore: at the border to the North

**More Information**

Shown alongside works from the Tønder museum collection, this exhibition explores various themes in the work of Henry Moore which can be related to the Northern Art Tradition and the work of artists such as Vilhelm Hammershøi, Asger Jorn, Erik Thommesen, Per Kirkeby, Svend Wiig Hansen, Per Inge Bjørloe, and Ian McKeever. Such themes will include anxiety, landscape, and design. A selection of Henry Moore drawings, sculptures and textiles are on display, from the Foundation's collection.
