Exhibition Title

2017 Perry Green, Sculpture in the Landscape at Henry Moore Studios & Gardens

More Information

In 2017, twenty-two iconic sculptures by Henry Moore's were displayed in the grounds of his former home in Perry Green, Hertfordshire. Moore's studios, house and gardens are open to the public from 14 April to 22 October 2017. Sculpture is an art of the open air. Daylight - sunlight - is necessary to it, and for me its best setting and compliment is nature. I would rather have a piece of my sculpture put in a landscape, almost any landscape, than in, or on, the most beautiful building I know."- Henry Moore quoted in 'Sculpture and Drawings by Henry Moore', Tate Gallery, London 1951
