

Head

Catalogue Number
LH 88a

Artwork Type
Sculpture Carving

Date
c.1930

Dimensions
unrecorded

Medium
ironstone

Ownership
unknown

More Information

'Head' was acquired by Max Sauerlandt, then the director of the Museum für Kunst und Gewerbe of Hamburg in 1931. The museum acquired the work from Moore's second solo exhibition at The Leicester Galleries, London, 1931. In 1937 the work, along with other examples of so-called degenerate art, was confiscated by the Nazi government and almost certainly destroyed.
