**Description**

Book published in association with the National Portrait Gallery to accompany an exhibition at the NPG.<br>156-158(1 illus) Henry Moore.<br><i>Dorothy Hodgkin's Hands, 1978 drawing</i>. This beautiful drawing is certainly not a study of abnormality but an exploration of form". The drawing is featured with portraits of Dorothy Hodgkin by Maggi Hambling and Graham Sutherland.<br>(Henry Moore made ten drawings which have all been catalogued as "Dorothy Hodgkin's Hands 1978". The one featured here is that owned by the Royal Society)."
