Spring. p.11. illus.

Year

2017

Description

One-column feature on the bronze *Reclining Figure* (LH 608) given to Columbia University by David and Laura Finn. After student protests at the proposed siting of the sculpture on the university's South Lawn, it was instead installed outside the Havemeyer Building. Quotes Moore saying that "sculpture is an art of the open air", and David Finn that Moore would have been proud to see the site of the sculpture. illus.
