156 2005 (June) 1p (1 Moore illus)

**Year**

2005

**Description**

Letter by Tim LLEWELLYN, Henry Moore Foundation, regarding <i>The Arch 1979-80 travertine stone</i> presented by Moore to Kensington Gardens in 1980, and located on the banks of the Serpentine. The Royal Parks discovered weakness in the sculpture and it was dismantled. The Henry Moore Foundation respect Moore's intentions in restoration of his works.
