| 0012244

Item Type

Periodical

Title

Hands and the artist: Henry Moore.

Author/Editor

ROBINS Nicholas., ROBINS Robert.

Publisher

Journal of Hand Surgery

Date & Collation

(Feb) 140-143(4 illus).

Year

1987

Description

Quotes Moore on hands as the most expressive part of the body after the face. Notes the tension Moore conveyed in his drawing of hands by the bones pressing from within. His humanity is expressed in drawings of his own hands and in those of Dorothy Hodgkin.
