Title

Henry Moore Shelter Drawings.

Author/Editor

RUF Beatrix.

Publisher

Bodensee Hefte

Place Published

Goldach

Date & Collation

(May)..Text in German.

Year

1994

Description

Review of Ittingen exhibition (See 0016097) explaining Moore's role as an official war artist. The influence of sculpture on his drawings, the concern for general human suffering rather than individual causes, use of colour. Timeless documentation of war and humanity.
