2024

Description

Review of the exhibition "O'Keeffe and Moore: Giants of Modern Art" at the Montreal Museum of Fine Arts from 06 February until 02 June 2024, part of the larger touring O'Keeffe and Moore exhibition of 2023/2024. (See 0024298).

Discusses the surprising similarities between the two artists in both their personal history and their working methods and inspirations, comparing both artist's love of nature and the natural world.

Interesting insights into the works selected and the logistics of installing the exhibition from Iris Amizlev, Curator at the Montreal Museum of Fine Art's.
