Exhibition Title

2019 Norfolk, Houghton Hall, Henry Moore at Houghton Hall:
Nature and Inspiration

More Information

The Henry Moore Foundation are working in partnership with Houghton Hall in North Norfolk to stage this spectacular exhibition set in the historic house and grounds. Nature is at the heart of

Henry Moore's art. His distinctive sculptural style relied on the reinterpretation of organic forms and the selection of works on show include monumental sculptures set within the dramatic landscape of Norfolk alongside smaller works inspired by natural objects on display in the house. The exhibition gallery showcases Moore's famous Elephant Skull etchings.
