More Information

"Hauser & Wirth presents a major exhibition of important and previously unseen works from the Henry Moore Family Collection.

Our Old Bond Street gallery has been transformed by Zaha Hadid & Patrik Schumacher, whose bold organic creations – specially commissioned for the exhibition – provide a sympathetic and novel context for re-approaching Moore's oeuvre. Celebrated as the most important British sculptor of the twentieth century, Moore's radical addressing of the human form and uncompromising vision make him an abiding influence for contemporary artists." - Hauser & Wirth, 2008
