Exhibition Title

2019 Perry Green, Sculpture in the Landscape at Henry Moore Studios & Gardens

More Information

In 2019, 23 iconic sculptures by Henry Moore are on display in the grounds of his former home in Perry Green, Hertfordshire. Moore's studios, house and gardens are open to the public from 3 April to 27 October 2019. Sculpture is an art of the open air. Daylight -

sunlight - is necessary to it, and for me its best setting and compliment is nature. I would rather have a piece of my sculpture put in a landscape, almost any landscape, than in, or on, the most beautiful building I know. - Henry Moore quoted in 'Sculpture and Drawings by Henry Moore', Tate Gallery, London 1951
