

16 April 2018 - 24 June 2018

Venues

LICHFIELD CATHEDRAL

Exhibition Title

2018 Lichfield, Lichfield Cathedral, Consequence of War

More Information

Staged to coincide with the anniversary of the signing of the Armistice in 1918 this exhibition looks at the effects of war (both WWI and WWII) on society in Britain. Within the Cathedral setting the exhibition also explores the impact of war on the modernist paradigm and the secularisation of society.
