

Large Torso: Arch

Catalogue Number

LH 503 plaster

Artwork Type

Sculpture

Date

1962-63

Dimensions

199.5 cm

Medium

plaster

Ownership

unknown

More Information

Moore was keen to have photographs of the plaster and polystyrene over-size version of the Arch before it was cut up to be sent away for casting. So I photographed it with the scaffolding round the sculpture, as this was not going to be removed before the cutting up... Errol Jackson, 1969
